FOR IMMEDIATE RELEASE PRESS RELEASE #3242017

Subject : **City of San Carlos to Host Earth Day Event**

Contact : Jeff Maltbie, City Manager (650) 802-4228
jmaltbie@cityofsancarlos.org

SAN CARLOS, CA – The City of San Carlos will host its 2nd annual Earth Day event on April 22, 2017 from 9:00 a.m. to 12:00 p.m. in downtown San Carlos. In an effort to continue its commitment to the environment, the City will host a clean-up in honor of Earth Day and to celebrate San Carlos, The City of Good Living.

Volunteers will collect trash along downtown Laurel Street and plant mulch at Harrington Park. The park project includes replacing the grass area with mulch to conserve water and beautify the park. Following the activities, participants will gather at Harrington Park to enjoy snacks and refreshments and to receive a stainless steel Earth Day water canteen and a City of Good Living bag in appreciation for their efforts.

"I am glad to see the City will be hosting its second Earth Day event," said Mayor Bob Grassilli. "Volunteering to clean-up our community is a great way to show our kids the importance of environmental stewardship and to preserve The City of Good Living."

This is a family friendly event open to families and residents of all ages. To register, please visit: www.cityofsancarlos.org/EarthDay2017 by April 7th .
