INTRODUCTION

This Housing Successor Agency Annual Report (“Annual Report”) presents information on Fiscal Year (“FY”) 2020-21 expenditures and activities as required by Health and Safety Code (“HSC”) Section 34176.1(f), including but not limited to a housing successor’s compliance with certain expenditure activities over the year as well as a five-year planning period. This Annual Report is required of any housing successor to a former redevelopment agency.

THE CITY AS HOUSING SUCCESSOR

The City of San Carlos (“City”) is the Housing Successor Agency (“Housing Successor”) to the former San Carlos Redevelopment Agency (“Agency”). The Housing Successor is responsible for maintaining housing assets transferred from the former Agency. Its main goal is to provide affordable housing for City of San Carlos (“City”) residents.

The Annual Report is an addendum to the City’s Housing Element Annual Progress Report. Both are due to the California Department of Housing and Community Development (“HCD”) by April 1 annually and must be accompanied by an independent financial audit. The City’s audited financial statements will be posted on the City website when available.

SCOPE OF THIS HOUSING SUCCESSOR ANNUAL REPORT

This Annual Report is limited to the Housing Authority’s activities as it relates to its role as a housing successor. This may include, but is not limited to, financial activities, property disposition, loan administration, monitoring of covenants, and affordable housing development. This Annual Report describes compliance with various annual, five-year, and ten-year housing expenditure and production requirements. FY 2019-20 is the first year of the current five-year compliance period for income proportionality, which begins July 1, 2019 and ends June 30, 2024.

ASSETS TRANSFERRED TO HOUSING SUCCESSOR

Upon the statewide dissolution of redevelopment in 2012, all rights, powers, committed assets, liabilities, duties, and obligations associated with the housing activities of the Agency were transferred to the Housing Successor. The Housing Successor prepared and submitted to the California Department of Finance (“DOF”) an inventory of housing assets to be transferred from the former Agency. The inventory was enumerated on a Housing Asset Transfer Form (“HAT”) which included:

1. Real Properties;
2. Personal Property;
3. Loans Receivables; and
4. Rents/Operations.

All items on the HAT were reviewed and approved by DOF on September 5, 2012. Once approved by DOF and as directed by law, the Housing Successor transferred these assets to the Low and Moderate Income Housing Asset Fund (“Housing Asset Fund”, Fund 31). The Housing Successor inherited four real properties and other assets from the former Agency; over time, these assets will be disposed or retired in accordance with state law and any applicable agreements.

A copy of the HAT is provided as Appendix 1.

BACKGROUND

This section summarizes the legal requirements for use of housing successor assets that are addressed in this Annual Report.

LEGAL REQUIREMENTS PERTAINING TO HOUSING SUCCESSORS

In general, housing successors must comply with three major requirements pursuant to HSC Section 34176.1:

1. Expenditures and housing production are subject to income and age targets.
2. Housing successors may not accumulate an “excess surplus,” or a high cash balance based on certain thresholds.
3. Properties must be developed with affordable housing or sold within five to ten years of the California Department of Finance approving the Housing Asset Transfer Form.

Appendix 2 provides a detailed summary of the reporting requirements that are addressed in this Annual Report.

PERMITTED USES OF HOUSING ASSET FUNDS

Pursuant to HSC Section 34176.1, Housing Asset Funds may be spent on:

- **Administrative costs** for operation of the housing successor agency. The law allows a housing successor to spend the greater of:
 - \$200,000 per year adjusted for inflation, or
 - 5% of the statutory value of real property owned by the housing successor and the value of loans and grants receivable from the HAT ("Portfolio"), whichever is greater.

The \$200,000 limit adjusted for inflation in FY 2020-21 is \$223,400 according to HCD. The Housing Successor's FY 2020-21 Portfolio value was \$14,637,873, of which 5% is \$731,894. Therefore, the FY 2020-21 administrative cost limit for the San Carlos Housing Successor is the higher figure of \$731,894.

- **Homeless prevention and rapid rehousing services** up to \$250,000 per year if the former Agency did not have any outstanding housing inclusionary or replacement housing production requirements. The Housing Successor qualifies because the former Agency had a surplus of affordable housing production units upon dissolution.
- **Affordable housing development** assisting households up to 80 percent of the Area Median Income ("AMI"), subject to specific income and age targets.

Five-Year Income Proportionality: Any Housing Asset Funds may be spent on development of affordable housing projects affordable to low-, very low-, and extremely low-income households. "Development" is defined in HSC Section 33413 as new construction, acquisition, rehabilitation or the preservation of affordable housing developments.

Over each five-year compliance period, the current one beginning July 1, 2019, at least 30 percent of such development expenditures must assist extremely low-income households (30% AMI), while no more than 20 percent may assist low-income households (between 60-80% AMI). The balance of the funds may be used on very low-income households (defined as households earning between 30% and 60% of AMI).

The first five-year compliance period was January 1, 2014 through June 30, 2019. The Housing Successor was compliant with Housing Asset Fund income proportionality expenditure requirements during the first five-year compliance period. The current (second) five-year compliance period is July 1, 2019 to June 30, 2024.

Note that housing successors must report expenditures by category each year, but compliance with income proportionality limits is measured every five years. For example, a housing successor could spend all its funds in a single year on households earning between 60-80% AMI, as long as it was 20 percent or less of the total expenditures during the five-year compliance period.

Should a housing successor not spend at least 30% of its development expenditures for extremely low-income households, or exceeds the amount spent on low-income households, future expenditures are subject to greater restriction until these proportionality targets are met. Specifically, if a housing successor is unable to spend at least 30% of its development expenditures on extremely low-income units, it is required to increase this spending to 50% until compliant with the 30% threshold; a housing successor that spends more than 20% of its development expenditures on low-income units cannot spend any further funds on low-income developments until it is at or below the 20% threshold.

As such, tracking these expenditures and their progress over the corresponding five-year period is an important function of this Annual Report.

Ten-Year Age Proportionality on Units Assisted: If more than 50% of the total aggregate number of rental units produced by the City, Housing Successor, or former Agency during the past 10 years are restricted to seniors, the Housing Successor may not spend more Housing Asset Funds on senior rental housing.

It is important to stress that Housing Successor expenditure and production requirements are measured on different timeframes:

- **One-Year Limits:** Administrative Allowance and Homeless Prevention Allowance. Compliance evaluated annually and resets every year.
- **Five-Year Limit:** Expenditures by Income Level. Compliance evaluated over a fixed five-year period set by law, the current period being July 1, 2019 to June 30, 2024.

- **Ten-Year Limit:** Number of Senior Deed-Restricted Units Assisted. Compliance evaluated based on a rolling ten-year period that is different every year, the current period being FY 2011-12 to 2020-21.

Appendix 3 describes Housing Asset Fund expenditure requirements in more detail, including the types of costs eligible in each category.

LIMITS ON THE ACCUMULATION OF HOUSING FUNDS (EXCESS SURPLUS)

State law limits how much cash a housing successor may retain and, if it fails to commit and spend these dollars in a reasonable timeframe, ultimately penalizes the housing successor by requiring unspent funds to be transferred to HCD for use on State housing programs.

HSC Section 34176.1(d) establishes a limit, known as an “excess surplus” on the amount of unencumbered Housing Asset Funds based on the greater of the following:

- \$1,000,000, or
- The total amount of deposits made into the Housing Asset Fund over the preceding four years.

Only amounts in excess of this threshold are considered an excess surplus. Once an excess surplus is determined, a housing successor must account for these funds separately and encumber said monies within three years. If after the third year the excess surplus has not been fully encumbered, the remaining balance of the excess surplus is to be transferred to HCD within 90 days. HCD is permitted to use these transferred excess surplus funds anywhere in the State under its Multifamily Housing Program or the Joe Serna, Jr. Farmworker Housing Grant Program.

The concept of excess surpluses carries over from the era prior to dissolution of Redevelopment Law, when redevelopment agencies often were receiving substantial amounts of deposits from the mandatory housing set-aside of 20% of tax increment revenues. Today, excess surpluses are generally less common because housing successors no longer receive deposits comparable to the pre-dissolution period.

As part of the Annual Report, a housing successor must disclose any excess surplus and describe the housing successor’s plan for eliminating this excess surplus.

HOUSING ASSET FUND ACTIVITY

This Annual Report describes Housing Successor related activity in the Housing Asset Fund based on audited numbers by an independent auditor.

The Housing Successor entered FY 2020-21 with \$1.8M in Housing Asset Fund cash and expended \$130,667 during the year on administration costs.

EXPENDITURES

The Housing Successor complied with all Housing Asset Fund spending restrictions in FY 2020-21, including five-year compliance period income targeting requirements as shown in Table 1 below.

Source: Low and Moderate Income Housing Fund Trial Balance Summary by Fund (6/30/20) and City Response to Data Request

- Administrative costs of \$130,667 did not exceed the maximum amount for FY 2020-21. The annual limit for administration expenditures in FY 2020-21 is \$731,894, which represents 5% of the City's current statutory value of real properties and loan receivables.
- No homeless prevention or rapid rehousing expenses were made in FY 2020-21.
- The Housing Successor spent \$4,023,714 toward the construction of 6 extremely low-income rental units at 817 Walnut in FY 2019-20, the first year of the second five-year compliance period from July 1, 2019 through June 30, 2024. The City has committed \$7.3 million toward the project pursuant to a Disposition, Development and Loan Agreement ("DDLA") with Walnut Street LP.

The majority of the \$7.3 million will be paid from the Housing Asset Fund's available cash balance. Any remaining balance will be paid from City inclusionary housing in-lieu fees.

All development related expenditures in the first five-year compliance period were spent on the construction of extremely low-income rental units. Therefore, the five-year compliance period income targets were met. The Housing Successor will ensure it continues to meet all expenditure requirements going forward in the current five-year compliance period of July 1, 2019 through June 30, 2024.

Failure to comply with the extremely low-income requirement in any five-year compliance period will result in the Housing Successor having to ensure that 50 percent of remaining funds be spent on extremely low-income rental units until in compliance. Exceeding the expenditure limit for low-income households earning between 60-80% AMI in any five-year reporting period will result in the Housing Successor not being able to expend any funds on these income categories until in compliance.

SENIOR HOUSING LIMIT COMPLIANCE

The Housing Successor complies with a limit allowing no more than 50 percent of the total aggregate number of rental units produced within the preceding ten years to be restricted to seniors. The Housing Successor, City, and former Agency have only assisted one affordable housing project in the prior ten years, which is the 817 Walnut street project assisted in FY 2019-20. None of the 6 extremely low-income units assisted by the Housing Successor at 817 Walnut are restricted to seniors as shown in Table 2.

DEPOSITS AND FUND BALANCE

The Housing Successor deposited \$234,163 into the Housing Asset Fund during FY 2020-21. Revenues were from investment income, interest income, rents and rents as shown in Table 3.

EXCESS SURPLUS

The Housing Asset Fund may not accumulate an “excess surplus”, or an unencumbered cash balance that exceeds the greater of either \$1 million or the sum of deposits in the prior four fiscal years. This requirement ensures that housing successors are actively spending available Housing Asset Funds on affordable housing.

As shown in Table 5, The Housing Successor does not have an excess surplus. Under the terms of a Disposition Development and Loan Agreement ("DDLA") executed in FY 2018-19 for the 817 Walnut

project, the City committed \$7.3 million to assist with 6 extremely low-income rental units, with the majority of the funding coming from the Housing Successor. Approximately \$4 million was expended in FY 2019-20 and the remainder is expected to be expended in FY 2021-22. The City will use all of the available Housing Asset Fund cash balance on 817 Walnut, leaving zero unencumbered Housing Asset Funds.

¹The City will use all of the available Housing Successor funds to meet a total commitment of \$7.3 million for the 817 Walnut project in FY 2021-22. The remaining balance will be paid from City inclusionary housing in-lieu fees.

The Housing Successor did not have an excess surplus at the end of FY 2020-21.

TRANSFERS TO OTHER HOUSING SUCCESSORS

There were no transfers to another housing successor entity for a joint project pursuant to HSC Section 34176.1.

HOUSING SUCCESSOR PORTFOLIO

The Housing Successor Portfolio includes four properties and four loans receivable transferred from the former Agency. The Portfolio had a value of \$14,637,873 as of FY 2020-21, as detailed in Table 6.

The City, as housing successor, owns four properties that had a book value of \$8,851,728 as of June 30, 2021. The 633 Elm Street Unit 305 was transferred from the former Agency, while two properties, 633 Elm Street Unit 405 and 1001 Laurel Street Unit 207, are Below Market Rate units purchased by the Housing Successor in FY 2016-17 and FY 2017-18. The property purchases are not reported as expenditures in Figure 1 because the City owns the units, and the cash value was converted to real property value in the Housing Asset Fund. It is possible that the purchases will be converted to expenditures in the future if the Below Market Rate units are sold to low-income buyers and affordability restrictions are recorded.

In FY 2019-20, the City entered into a DDLA with a developer to ground lease the 817 Walnut property to allow for new affordable development. A progressive value of \$7,879,899 for the new improvements was capitalized as donated capital assets in FY 2020-21. The City also loaned \$4.2 million for the

development of the property to the developer. This increased the loans receivable held by the City to four, totaling \$5,786,145.

PROPERTY DISPOSITION STATUS

HSC Section 34176(e) requires that all real properties acquired by the Agency prior to February 1, 2012 and transferred to the Housing Successor be developed for affordable housing purposes or disposed of within five years from the date DOF approved the HAT, or September 5, 2017. The City has met this requirement.

The Agency transferred four real properties to the City on the HAT:

- 817 Walnut Street: The property was formally transferred to the City via a grant deed dated January 5, 2015. In FY 2019-20 the City entered into a DDLA with Walnut Street L.P. to redevelop the site from a 6-unit to a 24-unit apartment complex, of which 6 units will be affordable to extremely low-income households.
- 633 Elm Street, Unit 305: This condominium unit continues to be operated as affordable housing and is leased to a low-income tenant.
- 657 Walnut Street: This 7-unit multi-family apartment complex was transferred from the Housing Successor to a developer in January 2017 for the Wheeler Plaza development project. The sales proceeds were deposited to the Housing Asset Fund.
- 1245-1265 San Carlos Avenue: This is a commercial property that was included on the HAT in error. It was subsequently included in the Successor Agency's Long Range Property Management Plan and sold pursuant to a compensation agreement approved by DOF and affected taxing entities.
