**CITY OF SAN CARLOS  
ELECTED OFFICIALS  
Salary and Benefit Resolution**

**1. DEFINITION**

Elected officials include City Council members and City Treasurer.

Elected officials receive a monthly salary of \$560.00 as allowed under Government Code Section 36516 and as approved by Ordinance Number 1534 Municipal Code Chapter 2.08.020 Regarding City Council Compensation and Ordinance Number 1535 Amending Municipal Code Chapter 2.10 Regarding City Treasurer Treasurer Compensation.

**3. BENEFITS**

**A. Retirement**

An elected official has the right to choose optional CalPERS<sup>1</sup> membership. The election of optional membership may be filed at any time while a compensated elected official holds the office and the office is not otherwise excluded by law or excluded by an agency's contract. Once elected, the membership remains in effect for all future service in an elected official position with the same employer unless there is a significant break in employment. Once membership is established, it may be terminated only upon permanent separation from employment covered by CalPERS and subsequent withdrawal of retirement contributions. While a CalPERS member, the elected official may contribute or receive credit for any previous eligible service in the elected official position.

If CalPERS membership is not chosen, the elected official may be enrolled in the City's 457 Deferred Compensation plan and the City will make an employer contribution of one (1) dollar a month.

**B. Health Plans**

An elected official may choose to enroll in a health plan offered by CalPERS through PEMHCA<sup>2</sup> if the official has elected to participate in one of the two retirement options listed above. The City's contribution for health coverage under the Section 125 Cafeteria plan will equal that of the Management Group.

**C. Alternate Medical Benefit**

Eligible elected officials who have health insurance coverage through another source and can provide the City with documentation of this coverage are eligible to receive an alternate medical benefit equal to the Management group employee only contribution. Alternate medical benefit payments will be deposited directly into the elected official's 457b Deferred Compensation Plan or another legally allowable deferred compensation plan via payroll deduction. Elected officials may waive the alternate medical benefit.
