Ms. Deborah Nelson, Planning Manager
City of San Carlos
600 Elm Street
San Carlos, CA 94070

Dear Ms. Nelson,

Congratulations on developing the City of San Carlos' Climate Action Plan that received the 2009 Outstanding Planning Award of Merit in the Category of Innovation in Green Community Planning from the Northern California Chapter of the American Planning Association.

It is a big step in the right direction that this plan is going to be included in the upcoming General Plan 2030 process and the City of San Carlos' ongoing series of Green Programs and Climate Change Initiatives. This greatly benefits our community and I appreciate San Carlos taking a leadership role in being environmentally conscientious.

Congratulations again on this wonderful accomplishment. Please contact me if I can be of assistance to you in these efforts.

Sincerely,
