FASHION DESIGN AND SEWING CAMPS

Design Thinking (Ages 8-17 yrs)
At Academy of Design, campers will learn all aspects of fashion design, generate original concepts, learn to sketch and illustrate their design, select colors, fabrics, and trim, then cut and sew their unique design on sewing machines. Our fun and bright fashion studio is equipped with dress forms for experimenting, spacious work tables, and computerized sewing machines. A full day includes instruction, lunch outside in the park, and flex time or “free sew”. The full day camp will also include accessories and décor. All campers will leave with fashion they can wear! A $35 materials fee is payable to the instructor on the first day of camp.

Youth Sewing Camp with Robin Nielsen  
(Ages 7-18 yrs)

Come and learn some basic sewing techniques such as sewing machine operation, pattern reading and simple sewing project construction. Campers will have the opportunity to interact with the resident camp animals (bunnies & chickens) as well as a number of other craft projects and activities during recess and lunch. A $40 materials fee is payable to the instructor on the first day of camp. $10 sewing machine rental for the week or you may bring your own machine.

Science Camps

ROBIN NIELSEN’S SCIENCE CAMPS

Each camp is a one week program designed around a general science principle. Campers typically do 2 science projects a day. The camp is made even more special with our animal visitors from Robin’s own farm.

Critter Camp  (Ages 5-11 yrs)

Critter Camp is full of fun animal-based projects, many of which include special animal visitors such as Humphry the mini Zebu, Indigo the peacock and a wide assortment of funky chickens and bunnies. We will explore a variety of different organisms from microbes to more complex animals such as mammals, birds and reptiles. A $40 lab fee is payable to the instructor on the first day of camp.

Rocket to the Moon!  (Ages 5-11 yrs)

Have you ever thought of rocketing to the moon? We’ll investigate gravity, speed and motion, and space travel. We’ll build water rockets that shoot amazingly high, but aren’t likely to make it all the way to the moon. A $40 lab fee is payable to the instructor on the first day of camp. No camp Friday 7/3.

Amazing Animal Adventures Camp  
(Ages 5-11 yrs)

This fun camp will help you appreciate amazing and wonderful animals. From the long sticky tongue of the Chamaeleon to tiny Zebu cattle, we will have fun learning about crazy creatures from around the world. There will also be animal visits from some of the more exotic animals. A $40 lab fee is payable to the instructor on the first day of camp.

Magical Science Camp (Ages 5-11 yrs)
Is magic real or is it all just a trick? When is it magic, slight of hand or just amazing science? We will take a look at some interesting magical acts, confounding tricks, and brain puzzles and learn the logic and science behind how they work. A $40 lab fee is payable to the instructor on the first day of camp.

Cooking with Chemistry Camp (Ages 5-11 yrs)
Camp we will be exploring the fun of kitchen chemistry. Learn what makes good and bad cookie dough, why does bread rise, and how to make ice cream by hand. We will also take a look at composting and recycling things from the kitchen and learn about sustainable food sources. A number of the projects will produce food for campers to eat and may contain wheat, milk and egg products (but no nuts). Some, but not all of these projects will include allergen free versions of the recipes/projects. $40 lab fee is payable to the instructor on the first day of camp.

Ingenious Engineers Camp (Ages 5-11 yrs)
This camp will focus on learning about and building with simple machines and circuits. Can you multiply your force or change its direction? Is there any way to move an object that weighs more than you do? Have some fun playing with gears, motors, and build a circuit to run some simple electric lights. This is a great introduction to engineering and Physics enthusiasts. A $40 lab fee is payable to the instructor on the first day of camp.

Physics at Camp Lakebegone (Ages 5-11 yrs)
This camp is based on learning about the physics of water through water crafts. How do boats travel and why don’t rocks float? We will explore density, phase change, and motion all having to do with interactions in water. Will we get wet? Probably. Will it be fun? Absolutely! (Warning: may contain water balloons, sprinklers, snow, and treasures frozen in ice). A $40 lab fee is payable to the instructor on the first day of camp.

### Fizz-ical Phenomena & Che-Mystery (Ages 6-11 yrs)

Have a ton of fun as we whip up potions and experiment with all kinds of chemical reactions, including growing crystals, making sidewalk chalk, and learning the science of chromatography on a Mad Science Lab Coat we get to keep!! Mix it up as we experiment with molecular madness, radical reactions, and fizzly and chemical reactions. Discover what those crazy chemists are really up to in their laboratories! No camp 7/2 & 7/3.

### Eco-Explorers (Ages 6-11 yrs)

Young biologists use all their senses when they explore the natural world around them. Have fun finding and magnifying nature’s smallest creatures, pour plaster casts of animal tracks, and make recycled paper! Discover how birds thrive and solve the mystery of what Mr. Owl ate for lunch! Make and take home something every day like a cell model, a creature habitat and more fun stuff!

INCREDIFLIX CAMPS

Action Stop Motion Flix (Ages 7-12 yrs)
Use stop motion tricks to create fires, explosions, and even floods, as your characters can battle it out or work together to save the day in this action packed stop motion class. You will work in small groups to storyboard, create the action, film, and voice-over these exciting movies. *Flix emailed within a month after camp ends. A $35 production fee is payable to instructor on first day of camp. No camp Friday 7/3.

San Carlos Parks & Recreation Department Camp Refund Policy

Cancellation by Department
If a camp is cancelled by the Parks & Recreation Department, a full refund will be issued to the customer.

Transfers
There is no charge to transfer your child between camps if notice is given to the Parks & Recreation Department at least two weeks prior to camp start date, provided there is space available.

Cancellations by Participant
Camps cancelled by participant at least two weeks prior to the camp start date will receive a refund less a $16 refund fee per camp. No refunds will be issued within two weeks of the camp start date or after camp begins. However, your satisfaction matters most to us and refunds will be considered on a case-by-case basis. Participants who are dissatisfied with a program for any reason must fill out a program evaluation prior to receiving a refund so we can make the class better in the future.
