Summary:
On Tuesday, 05/28/2019, between 0845 hours and 0948 hours, a residential burglary occurred on the 1000 block of McCue Avenue in San Carlos. The unknown suspect forced entry into the victim’s residence via a rear garage door. Once inside, the suspect stole items from the victim’s residence. At approximately 0948 hours, the victim returned home and observed an unknown male suspect walking out of her driveway carrying some of her property. The victim confronted the suspect, and the suspect threatened to harm the victim. The suspect fled the area and was last seen near San Carlos Avenue. Approximately an hour after the residential burglary, the victim’s stolen credit cards were used at multiple businesses in San Bruno. Surveillance video was obtained from these businesses, and the suspect using the victim’s stolen credit cards was identified as 38-year-old Mark Puzon out of Daly City.

On 05/29/2019, thanks to the Daly City Police Department, Mark Puzon was arrested for multiple counts of identity theft, fraudulent use of an access card, and commercial burglary. Puzon was booked into the San Mateo County Maguire Correctional Facility. The investigation of Puzon’s involvement with the residential burglary and robbery is still ongoing. If anyone has any information about this crime or other related incidents, please contact Detective Jesse Myers at 650-363-4050 or Detective Gaby Chaghouri at 650-363-4060.
