City Clerk

**Newly Adopted Ordinance**
Ordinance 1549 Rezone 817 Walnut Project Site
After holding a public hearing on June 24, 2019 to consider approving the San Carlos Apartments Planned Development Plan and related zoning map amendment for 817 Walnut Street, the City Council introduced Ordinance 1549 and subsequently approved it at its July 8th meeting.
Any questions relating to this Ordinance should be directed to Martin Romo, Economic Development and Housing Manager, at mromo@cityofsancarlos.org.

Police

Vehicle Burglaries
On July 3\textsuperscript{rd} at approximately 7:00 p.m., deputies responded to the parking lot of T.J. Maxx located at 1251 Industrial Road on the report of a vehicle burglary. Someone broke the passenger side window of the victim’s vehicle and stole a laptop computer and other miscellaneous items valued at approximately $1,275.

On July 9\textsuperscript{th} at approximately 6:40 a.m., deputies responded to the 1300 block of Holly Street on the report of a vehicle burglary. Sometime overnight someone pried open a locked tool box on the victim’s pickup truck and stole approximately $1,300 worth of construction tools.

The investigations are ongoing.

Public Works

Eucalyptus Tree Removal Update
The Eucalyptus Tree Removal project began on Tuesday, June 25, 2019 and is expected to be completed no later than August 9, 2019. The project will remove approximately 24 trees within the public right-of-way and private properties. The project hours are between 9:00 a.m. through 4:00 p.m. and each work area will require the closure of San Carlos Avenue with detours around the work area. The three (3) work areas for the project are:

- Work Area 1 – San Carlos Avenue between Dartmouth Avenue and Kenton Avenue
- Work Area 2 – San Carlos Avenue between Beverly Drive and Devonshire Boulevard
- Work Area 3 – San Carlos Avenue between Alameda de las Pulgas and Prospect Street

The contractor will be posting changeable message boards notifying the public about the closures and detours at a minimum of 72-hours prior to the closure of the Work Areas.

Work Area 1, which included the removal of four (4) eucalyptus trees along San Carlos Avenue between Dartmouth Avenue and Kenton Avenue, was completed on Friday, June 28\textsuperscript{th}.

Work Area 2, which included the removal of five (5) eucalyptus trees along San Carlos Avenue between Beverly Drive and Devonshire Boulevard, began on Monday, July 1\textsuperscript{st}, and was completed the following day.
Work Area 3 is a two-phase project (Work Area 3A and Work Area 3B) with work occurring simultaneously. Work Area 3A includes the removal of nine (9) eucalyptus trees along San Carlos Avenue between Alameda de las Pulgas and Cordilleras Avenue and Work Area 3B includes the removal of five (5) trees on San Carlos Avenue between Cordilleras Avenue and Sycamore Street. The work on this phase commenced on Monday, July 8th and is expected to be completed by Friday, August 9th.
