Summary:
San Mateo County Sheriff’s Deputies from the San Carlos Police Bureau were dispatched to Lazar Machining to investigate the report of a commercial burglary that was in progress. When deputies arrived two minutes later, they saw a front window was smashed at the business and they saw a black male get into a nearby vehicle and drive away to avoid capture. Deputies followed the suspect vehicle until it drove onto southbound Highway 101. Deputies provided a license plate and vehicle description to other law enforcement units.

Approximately 40 minutes later, a Deputy Sheriff from the San Mateo County Sheriff’s Office located the suspect vehicle parked and unoccupied in front of the Good Nite Inn in Redwood City. The suspect was not located after an extensive search of the area; however, it was determined that the license plates on the vehicle were stolen and the vehicle was stolen from Burlingame on August 22, 2019.

Approximately $20,500 worth of tools were taken during the burglary and they were all recovered and returned to the victim. The stolen vehicle will be processed for evidence and returned to its owner.
