Parks & Recreation

Summer Camp Updates
Our first 4-week session of Adventure Camp came to an end last week. Parks and Recreation hosted 60 campers at three different locations in our parks. The
second session began this past Monday, July 13th. Campers are enjoying arts and crafts that include building clay sculptures and paper-mâché. Some of the campers’ favorite games are relay races and scavenger hunts. Although this isn’t our traditional summer camp structure and programming the campers are used to, they continue to show up each day to camp with a big smile on their faces and ready for a fun-filled day!

In addition to our Adventure Camp offering this summer, the City has partnered with San Carlos United and Legarza to offer additional camp opportunities for youth this summer. An additional 200 youth have been served through our camp partners.

Block Party Permits Resume
Block Party permits have resumed with additional guidelines under the County Health Order. Residents are able to submit a Block Party application for a gathering of under 50 people. The City will review all applications and provide permits for those blocks that meet the requirements. For the application, visit the City’s website at [https://www.cityofsancarlos.org/residents/community-events/organize-a-block-party](https://www.cityofsancarlos.org/residents/community-events/organize-a-block-party)

**Police**

**Arrest for Squatting and Drug Paraphernalia**

On July 8th at approximately 5:00 a.m., deputies responded to the 1100 block of El Camino Real on the report of a trespasser in a vacant building. Two suspects were located on the roof of the building, and it was determined that they were “squatting” at the address and did not have permission from the owner to be there. Deputies located used methamphetamine pipes throughout the property. Both subjects were placed under arrest and booked into the Maguire Correctional Facility. San Carlos Code Enforcement was notified and “red tagged” the property.
Arrest for Stolen Vehicle and Drug Paraphernalia
On July 12th at approximately 11:30 p.m., deputies responded to the Shell gas station located at 500 El Camino Real on the report of two suspects attempting to steal items from a donation bin. Upon contact, deputies learned that the two suspects possessed drug paraphernalia and the vehicle they were driving had been reported stolen out of Redwood City earlier in the day. The owner of the vehicle was contacted and came to retrieve his vehicle. The two suspects were arrested.
