City Clerk

Election Update
On November 3, 2020, the City of San Carlos will hold a General Municipal Election for two members of the City Council for the full term of four years and one City Treasurer for the full term of four years.

The nomination period for these offices began on Monday, July 13th and closes on Friday, August 7th at 5:00 p.m. In the event an incumbent does not file nomination papers by that date and time, the period is extended to 5:00 p.m. Wednesday, August 12th to non-incumbent candidates.

As of July 28th, nomination papers for City Councilmember were issued to John Dugan, Ronald Collins and Joseph Eden; and nomination papers for City Treasurer were issued to Inge Tiegel Doherty.

**Police**

**Arrest – Loitering, Possession of Burglary Tools, Carrying Concealed Dirk or Dagger**

On July 22nd at approximately 11:00 a.m., deputies responded to the area of Holly Street at Laurel Street on the report of an individual looking into car windows. The suspect was found in possession of a knife and burglary tools. The suspect was arrested and booked into the Maguire Correctional Facility.

**Arrest – Commercial Burglary**

On July 25th at approximately 7:30 p.m., deputies responded to a construction site on the 800 block of Industrial Road on the report of a Commercial Burglary in progress. Deputies located a suspect trying to climb over a fence and into the bed of his truck. The suspect attempted to flee the scene but was apprehended by deputies. A search of the suspect’s truck revealed approximately $10,000 worth of stolen tools from the construction site as well as methamphetamine and paraphernalia. The suspect was arrested and booked into the Maguire Correctional Facility.

**2019 Park Restroom Project – Update**

Sposeto Engineering, Inc. has completed the installation of the pre-fabricated restrooms at Laureola and Crestview Parks. Final punchlist items are being addressed.

The renovation of the Arguello Park restrooms has been underway since the beginning of July with an anticipated completion date at the end of August. The renovation includes new plumbing, partitions and diaper changing stations. Improvements will also be made to the electrical and ventilation systems.

**San Carlos Avenue Pedestrian Improvement Safety Project**

With a majority of the concrete work completed throughout the project, the next steps include finalizing the traffic signal installations at Alameda De Las Pulgas and at Phelps Road. The City’s contractor is currently coordinating with PG&E to have new electric meters installed and the power running before removing the existing poles and assembling the new traffic signals.

Once the new traffic signals are installed, segments along San Carlos Avenue will be repaved and traffic striping will be installed.
While the intersection reconstruction continues, please expect traffic delays and be mindful of the posted signs for detours, lane shifts, and lane closures along San Carlos Avenue. Flaggers will also be placed along San Carlos Avenue to direct traffic during this time.
